

MASTER SERVICES AGREEMENT
Between

Alpha Financial Holdings Ltd.

and

Global Technology Solutions Pvt Ltd.

Effective Date: 01 January 2026

1. Services

The Supplier shall provide software development, infrastructure support, cloud migration, and AI-powered analytics services for the Client across all business units.

The Supplier shall maintain operational support twenty-four (24) hours per day and seven (7) days per week.

2. Payment Terms

The Client shall make payment within one hundred and eighty (180) days from receipt of invoice.

Invoices shall be deemed accepted unless disputed within sixty (60) days.

The Supplier shall not be entitled to interest on delayed payments.

The Supplier shall continue providing services regardless of payment status.

3. Unlimited Liability

The Supplier agrees to unlimited liability for:

Data breaches
Service interruptions
Financial losses
Reputational damages
Third-party claims

No liability cap shall apply under this Agreement.

The Supplier waives any limitation of damages defense.

4. Confidential Information

The Supplier may access customer records, financial information, employee records, internal audit documentation, and personal data.

The Agreement does not require encryption of confidential information.

The Agreement does not require data retention controls.

No specific cybersecurity controls are mandated.

5. Data Protection

The Supplier may process customer personal information globally.

Customer information may be transferred outside regulated jurisdictions.

No GDPR-specific obligations are required.

No Data Processing Agreement (DPA) is attached.

The Supplier is not required to notify the Client of data breaches.

6. Termination Rights

The Client may terminate this Agreement immediately and without notice.

The Supplier shall have no reciprocal termination rights.

No cure period shall be provided.

The Client may terminate the Agreement for convenience at any time.

7. Audit Rights

The Client may conduct audits at any time.

The Supplier shall provide access to all systems, records, employees, subcontractors, and financial documentation.

No restrictions shall apply regarding audit frequency.

8. Intellectual Property

All intellectual property developed under this Agreement shall belong exclusively to the Client.

The Supplier waives all ownership rights.

The Supplier may not reuse any developed components.

9. Regulatory Compliance

The Supplier shall comply with all applicable regulations.

Failure to comply may result in immediate termination.

No remediation period shall be provided.

10. Insurance

The Supplier shall maintain insurance coverage as determined by the Client.

Coverage requirements may be modified at any time.

Failure to maintain coverage constitutes material breach.

11. Dispute Resolution

The Client shall determine the dispute forum.

The Supplier waives objections to jurisdiction.

All disputes shall be governed by laws selected solely by the Client.

12. Force Majeure

The Client shall determine whether a force majeure event exists.

The Supplier may not suspend services due to force majeure.

13. Cybersecurity

The Supplier shall be responsible for all cybersecurity incidents.

The Supplier shall bear all costs associated with remediation, regulatory fines, and third-party claims.

14. Subcontracting

The Supplier may not engage subcontractors without written consent.

The Client may withhold consent for any reason.

15. Survival

Confidentiality, liability, indemnity, audit, and data protection obligations shall survive indefinitely.
